Conference

Our conference will be held from 8:00am to 5:00pm on Tuesday October 30th through Thursday November 1st. We will be meeting in the Sunset/Pacific rooms at Humphrey's.

Plan to dress in "Business Casual" attire. The weather should be quite mild however, it does get quite cold at night near the water.

Our agenda places emphasis on Air Carrier safety programs and how we in the FAA – Safety Program might be of value to this segment of aviation. We have speakers from Transport Canada, Frontier Airlines and an aviation consultant to teach us the basics of Risk Management. Please see the attached agenda for more details. We will provide everything you need. Just bring an open mind!

Social Time

Please join us on Monday evening from 5:30pm to 7:00pm for light snacks and refreshments. This will take place in Kevin Clover's room. Please call the hotel operator to find the room number. This is your chance to get reacquainted with your colleagues. We won't have any time for introductions when the conference starts on Tuesday morning.

Tuesday night we're planning a special contest with great prizes...

On Halloween, the hotel lounge is planning a party. Bring your costume and win a \$200.00 prize for best costume or your share of \$1000.00 in other prizes. There will be a live band for your enjoyment.
