PHOENIX AIR TRAFFIC CONTROL TOWER LETTER TO AIRMEN NO. 04-1

SUBJECT: Areas Not Visible to Phoenix Air Traffic Control Tower

CANCELLATION: May 17, 2006

Due to obstructed vision, Phoenix Air Traffic Control Tower (ATCT) is able to provide only limited airport traffic control service in the following movement areas:

1. Taxiway Charlie between Taxiway Romeo and Intersection B10.
2. Taxiway Delta between Taxiway Romeo and D12.
3. Taxiway Romeo between Taxiway Charlie and Taxiway Delta.
4. Taxiway Sierra between Taxiway Charlie and Taxiway Delta.
5. Taxiway Tango between Taxiway Charlie and Taxiway Delta.

Aircraft operations that will penetrate these movement areas, including push back operations from gates that will require the aircraft to enter the movement area, must receive prior approval from Phoenix ATCT. Aircraft will be instructed to taxi via Taxiway Charlie, Delta, Romeo, Sierra, or Tango as appropriate. However, Phoenix ATCT is unable to provide any other air traffic control services in the areas described above.
