SAN DIEGO, CA 92126-7099

ISSUED: September 10, 2004

EFFECTIVE: September 30, 2004

SOUTHERN CALIFORNIA TERMINAL RADAR APPROACH CONTROL LETTER TO
AIRMEN No. 04-04

SUBJECT: Tower Enroute Control (TEC) Southern California

CANCELLATION: September 29, 2006

In support of the National Airspace Redesign (NAR) and a general review of Terminal Enroute Clearance (TEC) routes, the TEC "LIMA" routes are cancelled and the TEC "MIKE" routes are effective.

Interim publication of the "MIKE" routes will be contained in a Notice to Airmen (NOTAM) until their final publication in the Airport/Facility Directory (AFD) on the next charting cycle, November 25, 2004.
