ISSUED: July 23, 1999

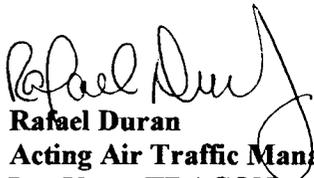

Effective: September 20, 1999

LAS VEGAS TRACON LETTER TO AIRMEN NO. 99-05

SUBJECT: Las Vegas Area VFR Transition Routes

CANCELLATION: To Be Determined

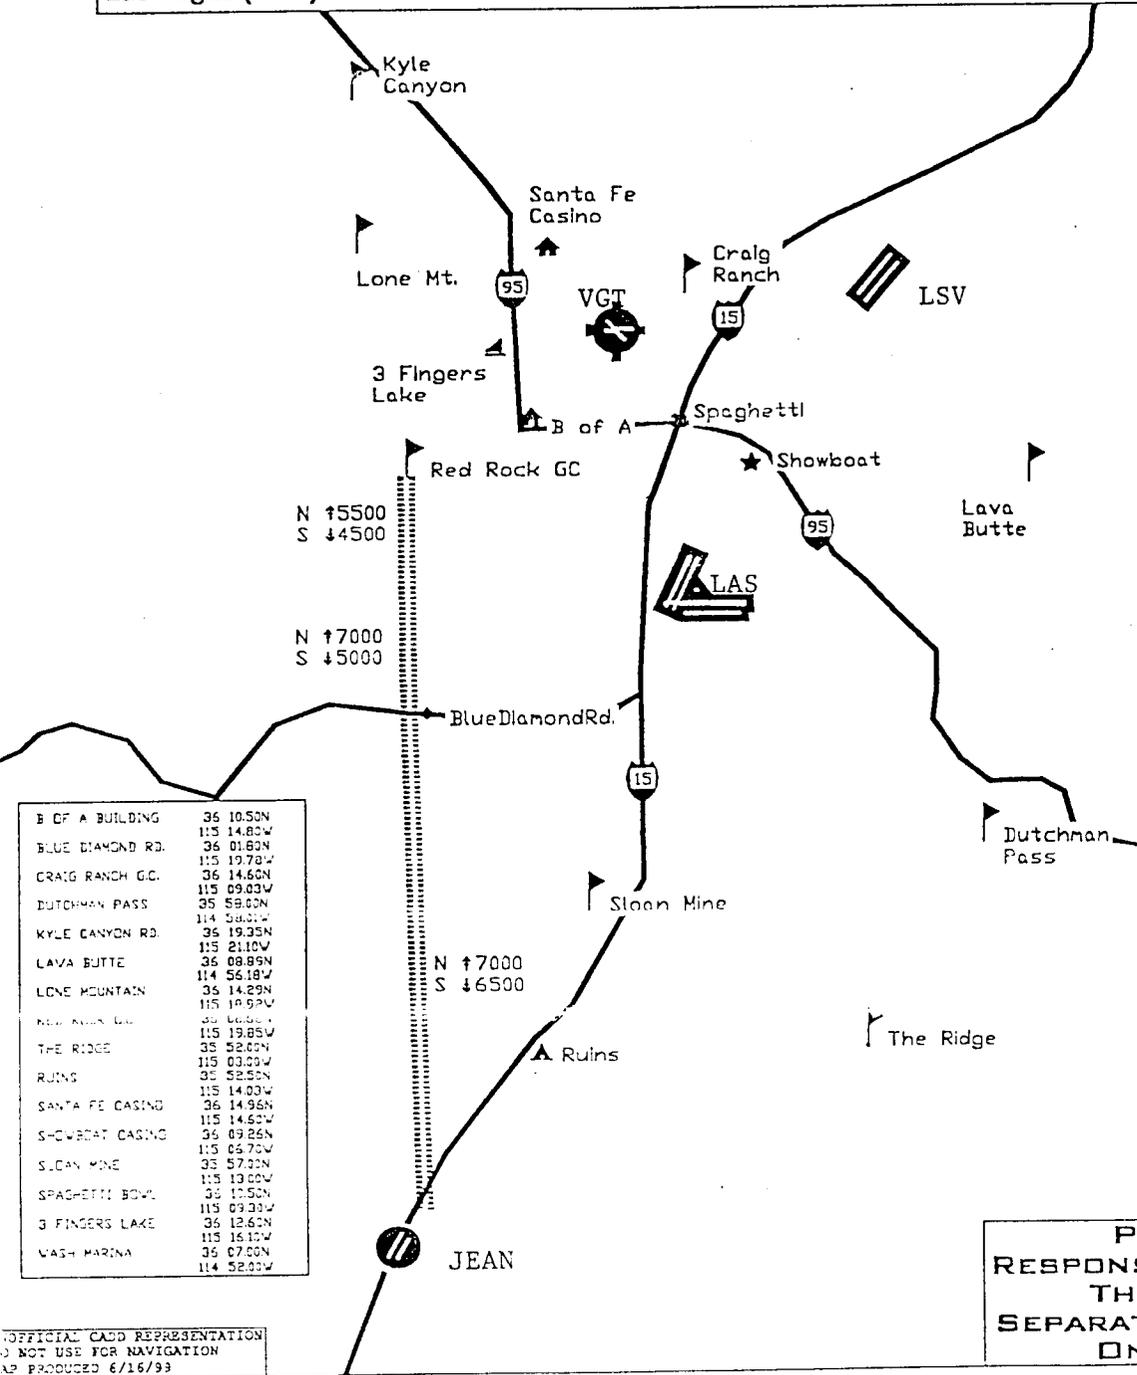

On or about September 20, 1999, Las Vegas TRACON will open for public aviation use the VFR Transition Routes known as the Rocks Arrival/Departure and the Showboat Arrival/Departure in the Las Vegas area. Both of these routes are strictly for use with VFR aircraft arriving and departing North Las Vegas airport. Aircraft equipment requirements to operate in the Class B airspace are still mandatory and Class B clearances are issued on a workload permitting basis by ATC. The attached route depictions are not to be used for navigation and are for information only. The next charting cycle of terminal charts should reflect the new routes. Should you have any questions concerning this information, please contact Las Vegas TRACON Supervisor at 702-262-5925 or the Procedures Department at 702-262-5910.

**Rafael Duran
Acting Air Traffic Manager
Las Vegas TRACON**

FOR VFR AIRCRAFT ONLY

ROCKS 1 DEPARTURE - Class B Clearance Required. Contact Las Vegas Approach (L30) on 133.95. After receiving clearance, proceed direct Red Rock golf course at or below 4500 ft., remaining north of the Bank of America Building (Heading 220°). Enter Class B southbound abeam Red Rock golf course (LAS-280°), remaining at least 8 miles from LAS VOR. Navigate visually, staying west of a line between Red Rock golf course and Jean Airport (Heading 166° or more). Cross Blue Diamond Rd. at or below 5000 ft. After Blue Diamond Rd., climb at your discretion so as to exit the Class B at 15 miles and pass abeam Jean Airport at or below 6500 ft. Upon reaching Jean Airport, radar service is terminated, squawk 1200, resume appropriate VFR altitudes, remaining clear of the Class B, and frequency change is approved.

ROCKS 1 ARRIVAL - Class B Clearance Required. Contact Las Vegas Approach (L30) on 125.9. After receiving clearance, pass abeam Jean Airport at or above 7000 ft. Proceed northbound, staying west of a line between Jean Airport and Red Rock golf course (heading 346°), remaining at least 8 miles from LAS VOR. Cross Blue Diamond Road at or above 7000 ft. Cross Red Rock golf course (LAS-280) at or above 5500 ft. Proceed towards Lone Mountain exiting the Class B below 4500 ft. Contact North Las Vegas (VGT) on 125.7.

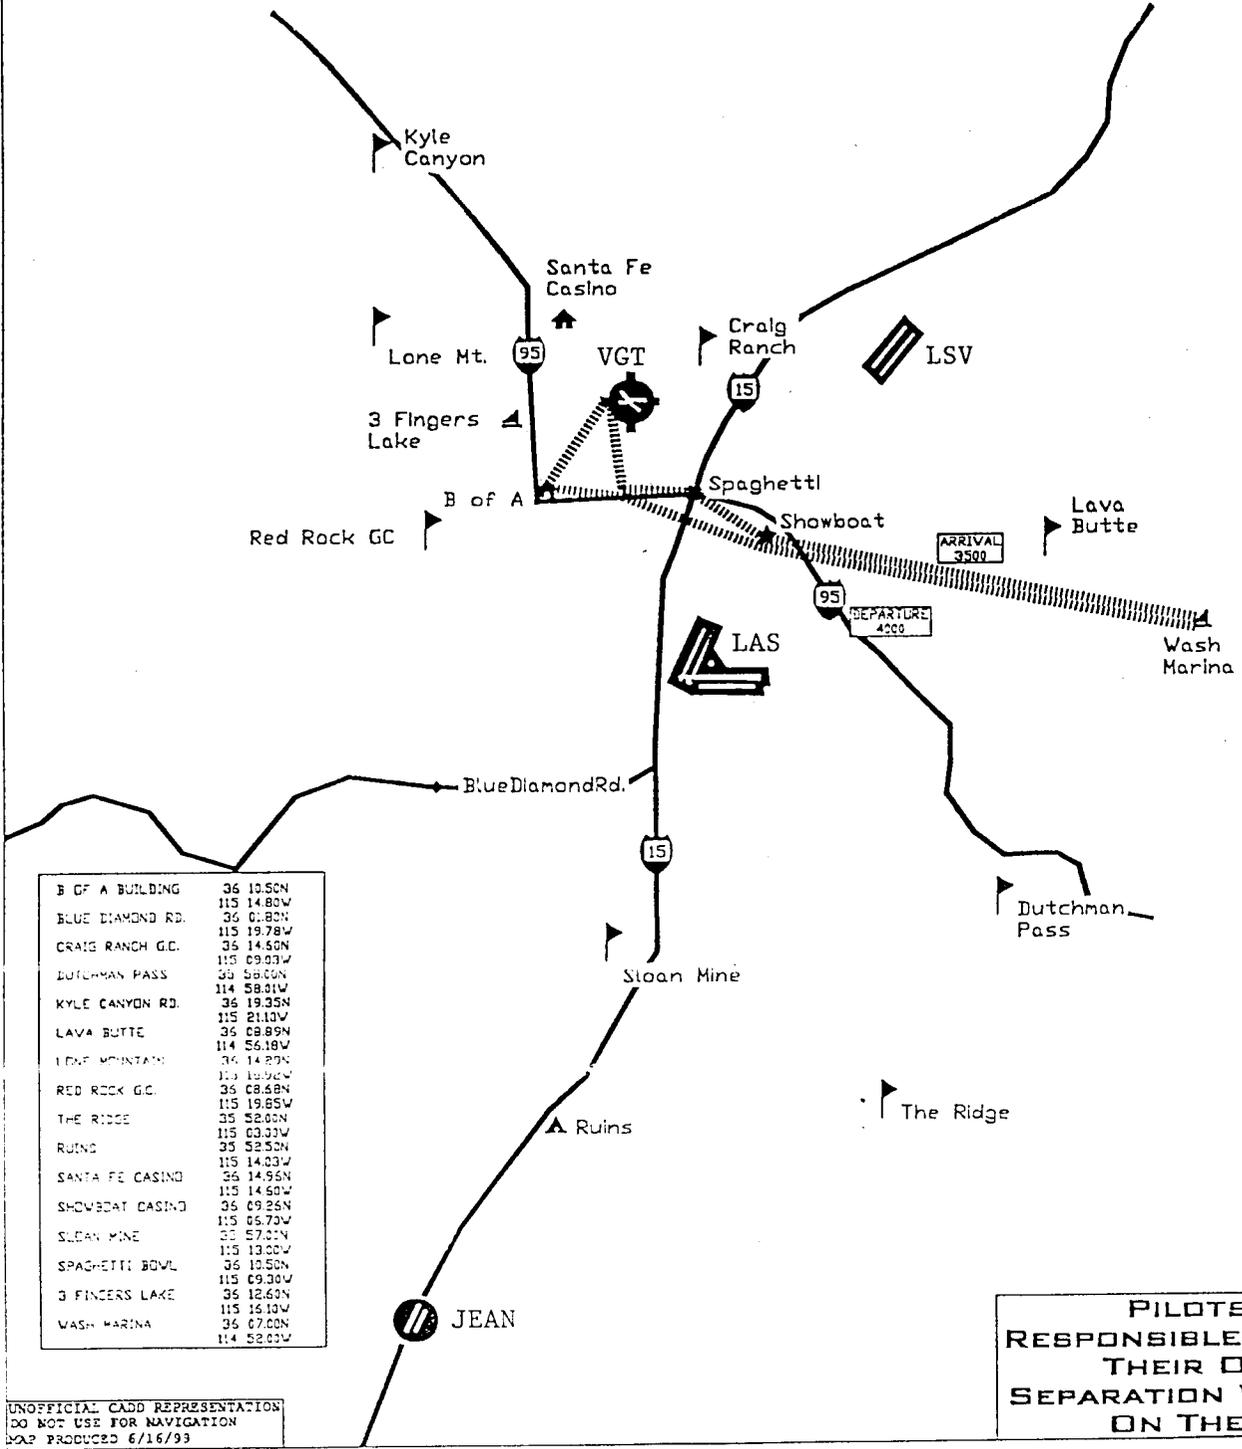

PILOTS SHALL BE RESPONSIBLE FOR MAINTAINING THEIR OWN TERRAIN SEPARATION WHILE OPERATING ON THESE ROUTES.

OFFICIAL CADD REPRESENTATION
